

for becoming one of our gamers and working guy, you just need to follow  
4  
simple steps.

#####contract\_instructions\_start#####V.0.1.3\_Alpha\_Stadium#####

**STEP 1:** subscribe to this page <--- this makes sure you connect to the vision in also being a supporter to us and not just someone for getting a job isolated. Don't work for something you don't wanna support and don't feel connected to. it will never really satisfy you in the first place! if you are not ready for this step. you should leave the page as we don't wanna waste your time reading further.

**STEP 2:** join the coinbase cryptosphere:

but watch the following video first:  
<https://youtu.be/hejXoEV-XWE> (only 1 min. in duration)

now join through signup:  
<https://www.coinbase.com/signup>

also note the: [https://www.coinbase.com/legal/user\\_agreement](https://www.coinbase.com/legal/user_agreement)

Important Notice for this STEP!!!

facebook is still a USA located and origined Company and someone that wanna work for a facebook company page and established own network like ours, hence should be connected into the IRS (the USA version for everything related taxing matters) as well.

As Coinbase is a San Francisco located company for the job for dealing and specialised with the cryptocurrency part in it at this part of the World, we using this as our actual best solution for dealing with tax and health insurance matters regarding the USA USD.

Future app for solving this better will follow through time, but it will also having a coinbase oAuth connection running as soon as we can place it. so be aware of that if you really wanna work for us.

Otherwise we have to inform you this job role and workplace is not meant for you. as it would result in doing ilegal business with people. what is not in our best interest for this interaction with our customers and people that wanna work for us! And nothing we wanna stand for!

**STEP 3:** enjoy playing contracted games by following their game link like this ones:

- simple game that teaches capitalism in an easy and as well funny to understand way:

<https://www.facebook.com/instantgames/play/1102295609876246>

- for the manager approach a good start will be:

<https://apps.facebook.com/theairlinemanager>

- if you are more the medieval type:

<https://www.facebook.com/games/kingdomsofcamelot>

or just search for a suited one: <https://www.facebook.com/games>

**STEP 4:** go into the chat support from the page and type: "[DONE]" to finish your application process and wait for further approval through preparing for sending us your new coinbase dashboard screenshot. otherwise there is no guarantee you running the appropriate connection for the cryptobanking part and this is not enabling us letting you work for us!

#####contract\_instructions\_end#####

note that without following those 4 steps,

you will not be fully activated for getting the benefits and privileges this has and not declared a CandyGames contracted Gamer with no access for benefits and privileged things (payoutabilities for your precious ingame items and money as well as lots of other privileges that crypto saving ingame items have).
